## **"Artist in Residence" – Call for applications for a studio grant 2026**

The Kunsthalle Kleinschönach (Kleinschönach Art and Exhibition Hall) collective awards a studio grant for artists once a year.

The Kunsthalle Kleinschönach collective is located in a former knitwear factory in the Lake Constance hinterland (see [www.kunsthalle-kleinschoenach.de](http://www.kunsthalle-kleinschoenach.de)). As a non-profit association, „man müsste ateliers hinterlassen können e.V.“ - „one should be able to leave someone an studio“ - the collective has also committed itself to a cultural mission, which is reflected in the organization of a diverse set of events.

Furthermore, the Kunsthalle Kleinschönach collective offers a guest studio and a studio grant, providing a space for focused creative work and an environment for dialogue between visiting artists and the collective's resident artists.

The residency grant includes a studio (70 sqm, 4 m ceiling height) with an integrated sleeping accommodation for one month, as well as a one-time payment of 400€ to help cover living expenses, materials, and/or travel costs.

This grant is especially aimed at artists who are unfamiliar with the Lake Constance region and the Linzgau area and who are open to exploring new possibilities in their work.
